Dear Use Agreement Customer:

I am writing to advise you of legislation that was passed by the 2007 General Assembly that amends Va. Code §46.2-208 (9) and §46.2-214 of the Va. Code. These sections authorize your access to DMV records and information.

Effective July 1, 2007, DMV will no longer charge your agency for any records or information needed to perform your official functions. In addition, you will no longer be charged for any special programming needed to change an existing program used by your agency or to exact data for a special data run needed to perform your official functions.

If you have any questions, you may contact Janet William at (804) 497-7191 or via email at Janet.Williams@dmv.virginia.gov or Linda Harry at (804) 497-7155 or via email at Linda.Harry@dmv.virginia.gov.

Sincerely,
